SHIMOGA CIVIL HOSPITAL.

1. Notice is hereby given that sealed tenders will be received up to Wednesday the 14th December 1910, by the District Medical and Sanitary Officer, Shimoga, for the supply of provisions for the Civil Hospital, Shimoga, from 1st January to 31st December 1911, both days inclusive.

2. No tenders will be received after the date abovementioned.

3. Tenders should be superscribed "Tenders for the supply of provisions for the Civil Hospital, Shimoga."

4. No tenders will be received unless accompanied by a deposit of Rs. 50 in cash, currency notes or Government bonds.

5. Tenders will be opened by the District Medical and Sanitary Officer at the Civil Hospital, Shimoga, on Wednesday the 14th December 1910, in the presence of such tenderers as may choose to attend at 8 A.M. Forms on which tenders are to be submitted may be obtained from the District Medical and Sanitary Officer, Shimoga.

6. The District Medical and Sanitary Officer reserves to himself the right of rejecting any tender without assigning any reason for so doing.

7. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 100 in cash or Government bonds within three days from the date of the acceptance of his contract.

8. No advance of cash will be made to the contractor. Payments for the articles supplied will be made by the District Medical and Sanitary Officer, or, in his absence the Assistant Surgeon, as soon as possible after the 1st of each month.

9. The contractor must submit his bills in English or Kanarese for the cost of all articles supplied, with calculations correctly made, by the 9th of each month. Persons who are unable to do this need not compete.

10. A store-room will be made over to the contractor, in which, he can keep all non-perishable articles; perishable articles, such as meat, tyre, etc., should be at the Civil Hospital by 8 A.M., at the latest daily. All articles condemned should be replaced within an hour; if not, the articles may be purchased by the District Medical and Sanitary Officer in the bazaar, and the contractor compelled to pay for them at bazaar rates as well as defray cost of transit, etc. The contingent articles should be supplied within twenty-four hours after the receipt of the order.

11. The store-room should be equipped with perishable articles which would suffice for at least a week's use.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 10 will be levied at the discretion of the District Medical and Sanitary Officer, for every infringement of the stipulation of the contract or for the supply of any inferior articles, and if the stipulation of the contract be frequently violated, the contract will be annulled and the security confiscated to Government.

14 The decision of the District Medical and Sanitary Officer or of the Assistant Surgeon in his absence, will be final on all questions of the infringement of the contract.

15. The sales at the contractor's room of any article to outside public is strictly prohibited.

16 The contract will be subject to confirmation by the Senior Surgeon and Sanitary Commissioner, Mysore Government, who reserves to himself the right of rejecting all, or any of the tenders.

N. B.—European Diet Scale is omitted, as there has not been much demand for the same during the past twelve months or so. It has to be substituted for soji or rice or both, if any patient desires it.

The rate of each of the articles constituting the several diets mentioned above should also be given; milk in imperial pints per rupee and other articles in pounds and ounces per rupee. Milk to be freshly drawn in the Hospital if practicable and to be tested with the Lactometer and by other tests, if necessary, and approved by the Medical Officer.

MAHOMED USMAN,
District Medical and Sanitary Officer.

VACCINE INSTITUTE.

Notification dated 19th November 1910.

Notice is hereby given that sealed tenders will be received up to 10th December 1910 by the Sanitary Commissioner at the Mysore Government Vaccine Institute for the supply of calves to the Institute from the 1st January 1911 to 31st December 1911, both days inclusive.

2. No tender will be received after the date abovementioned.

3. Tenders to be superscribed "Tender for the supply of calves for the Mysore Government Vaccine Institute, Bangalore City."

4. No tender will be received unless accompanied by a deposit of Rs. 100 in cash or currency notes.

5. Tenders will be opened by the Sanitary Commissioner on the 10th December 1910, at 8 A.M. in the presence of such tenderers as may choose to attend on that date.

6. The Sanitary Commissioner reserves to himself the right of rejecting any tender without assigning any reason for so doing.

7. The deposit of the successful competitor will be retained and will be forfeited to Government if he fails to execute the contract bond or to furnish the security of Rs. 200 in cash within three days from the acceptance of the contract being made known to him.

8. No advance of cash will be made to the contractor. Payment for the calves supplied will be made by the Superintendent of the Vaccine Institute as soon as possible after the supply of each batch of calves

9. Tenders must specify the rate at which each calf will be supplied.

10. The probable number of calves required will be about 50 a month.

11. Calves should be supplied in such numbers as the Superintendent of the Vaccine Institute may desire within a week from the date of order. Those rejected by the Superintendent on any account should be replaced by good and healthy calves within a week from the date of such rejection.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 20 will be levied at the discretion of the Sanitary Commissioner for every infringement of the stipulation of the contract and if the stipulation of the contract be frequently violated, the contract will be annulled, and the security confiscated to Government.

14. The decision of the Sanitary Commissioner will be final in all questions of infringements of contract.

15. Calves should be of the description given below :—

Condition—Perfectly healthy and not previously vaccinated.

Skin—To be white and to have white or red fur.

Sex—Female.

Age—From one to two years of age before shedding any teeth.

Size—Largest size available at the above age.

Any further information may be had from the Superintendent of the Vaccine Institute, Bangalore City.

V. ABBOY NAIDU,
Superintendent.
